For more information on accepting international students, please visit the website: <https://www.isc.kyushu-u.ac.jp/intweb/en/teacher/handbook>

\*\* International students proceed with the following procedures on the online application system guided by the International Student Exchange Division.

- Application for Certification of Eligibility for Status of Residence (CoE)

- Applying for the dormitory

\*\* Chinese students sponsored by the Chinese Government through the China Scholarship Council (CSC)

\*\* The cooperative graduate schools are Mathematics, Information Science and Electrical Engineering, and Economics. Mathematics and Economics have the second round of application. Moreover, applicants who have passed the Special Screening for International Students for the master's program of the Graduate School of Mathematics are not eligible to apply.

\*\* Abbreviation for Graduate Program of Mathematics for Innovation.

Be sure to review the application guidelines for details on each admissions process.
